

§ 1.6164-9

Example. Corporation Z, which keeps its books and makes its tax returns on the calendar year basis, filed its income tax return for 1956 on March 15, 1957, showing a tax of \$100,000. At the same time it filed a statement under section 6164 extending the time for payment of the entire \$100,000 on the basis of an expected net operating loss carryback from 1957. On April 10, 1957, the corporation filed a new statement indicating that the reduction, attributable to the carryback from 1957, in its income tax for 1956, would only be \$80,000, and thus terminated the above extension of \$20,000. The time for payment of such \$20,000 may not be extended again, and such \$20,000 is payable as if it were the tax for 1956 and Corporation Z had elected to pay such tax in installments. That is, \$10,000 is payable on March 15, 1957, and \$10,000 payable on June 17, 1957. Inasmuch as the March 15 date had already passed when the Corporation Z terminated the extension with respect to the \$20,000, \$10,000 is payable immediately upon such termination, and the other installment of \$10,000 is payable on June 17, 1957. This example would also apply if the extension of time for payment of the \$20,000 were terminated instead by the district director on April 10, 1957.

COLLECTION

GENERAL PROVISIONS

§ 1.6302-1 Use of Government depositaries in connection with corporation income and estimated income taxes and certain taxes of tax-exempt organizations.

(a) *Requirement.* A corporation (and, for taxable years beginning after December 31, 1986, any organization subject to the tax imposed by section 511, and any private foundation subject to the tax imposed by section 4940) shall deposit with an authorized depository of Federal taxes all payments of tax imposed by chapter 1 of the Code (or treated as so imposed by section 6154 (h)), including any payments of estimated tax, on or before the date otherwise prescribed for paying such tax. This paragraph does not apply to a foreign corporation or entity which has no office or place of business in the United States.

(b) *Manner of deposit—(1) Deposit by Federal tax deposit coupon.* A deposit required to be made by this section shall be made separately from a deposit required by any other section. A corporation may make one, or more than one, remittance of the amount required by this section to be deposited. Each remittance shall be accompanied by a Federal Tax Deposit form which shall be prepared in accordance with the instructions applicable thereto. The remittance, together with the Federal Tax Deposit form, shall be forwarded to a financial institution authorized as a depository for Federal taxes in accordance with 31 CFR part 203. The timeliness of the deposit will be determined by the date stamped on the Federal Tax Deposit form by the authorized financial institution or, if section 7502(e) applies, by the date the deposit is treated as received under section 7502(e). Each corporation making deposits under this section shall report on the return, for the period with respect to which such deposits are made, information regarding such deposits according to the instructions that

apply to such return. Amounts deposited under this section shall be considered as payment of the tax.

(2) *Deposits by electronic funds transfer.* For the requirement to deposit corporation income and estimated income taxes and certain taxes of tax-exempt organizations by electronic funds transfer, see § 1.6302-1(h) of this chapter. A taxpayer not required to deposit by electronic funds transfer pursuant to § 1.6302-1(h) of this chapter remains subject to the rules of paragraph (b)(1) of this section.

(c) *Procurement of the prescribed forms.* Copies of the Federal Tax Deposit form will so far as possible be furnished corporations. A corporation will not be excused from making a deposit, however, by the fact that no form has been furnished to it. Corporations not supplied with the proper form should make application therefor in ample time to make the required deposits within the time prescribed. The corporation may secure the form or additional forms by applying therefor and supplying its name, identification number, address and the taxable year to which the deposits will relate.

(d) *Failure to deposit.* For provisions relating to the penalty for failure to make a deposit within the prescribed time, see section 6656.

§ 1.6302-2 Use of Government depositaries for payment of tax withheld on nonresident aliens and foreign corporations.

(a) *Time for making deposits*—(1) *Deposits for 1973 and subsequent years*—(i) *Monthly deposits.* Except as provided in paragraphs (a)(1)(ii) and (iv) of this section, every withholding agent who, pursuant to chapter 3 of the Internal Revenue Code, has accumulated at the close of any calendar month beginning on or after January 1, 1973, an aggregate amount of undeposited taxes of \$200 or more shall deposit such aggregate amount with an authorized financial institution (see paragraph (b)(1)(ii)

of this section) within 15 days after the close of such calendar month. However, the preceding sentence shall not apply if the withholding agent has made a deposit of taxes pursuant to paragraph (a)(1)(ii) of this section with respect to a quarter monthly period which occurred during such month. With respect to section 1446, this section shall only apply to a publicly traded partnership described in § 1.1446-4.

(ii) *Quarter-monthly deposits.* If at the close of any quarter-monthly period within a calendar month beginning on or after January 1, 1973, the aggregate amount of undeposited taxes required to be withheld pursuant to chapter 3 of the Code is \$2,000 or more, the withholding agent shall deposit such aggregate amount in an authorized financial institution within 3 banking days after the close of such quarter-monthly period. For purposes of determining the amount of undeposited taxes at the close of a quarter-monthly period, undeposited taxes withheld with respect to items paid during a prior quarter-monthly period shall not be taken into account if the withholding agent made a deposit with respect to such prior quarter-monthly period. A withholding agent will be considered to have complied with the requirements of this subdivision with respect to the close of a quarter-monthly period if:

(a) His deposit is not less than 90 percent of the aggregate amount of the taxes required to be withheld during the period for which the deposit is made, and

(b) If such quarter-monthly period occurs in a month other than December, he deposits any underpayment with his first deposit which is otherwise required by this subparagraph to be made after the 15th day of the following month. Any underpayment of \$200 or more for a quarter-monthly period closing during December must be deposited on or before the following January 31.

For purposes of this subparagraph, the term “quarter-monthly period” means the first 7 days of a calendar month, the 8th day through the 15th day of a calendar month, the 16th day through the 22d day of a calendar month, or the portion of a calendar month following the 22d day of such month.
